SLS Bahia Beach Condo For Pre Sale.

SLS Bahia Beach is the fourth installment of the most successful luxury residential complex in the Mexican Caribbean. The iconic towers (product of the complicity between Jorge Perez and his Mexican counterparts) have elevated the luxury market in Puerto Cancun, and now with this fourth installment they seek to improve the product in every way to provide their customers with something like no other in Puerto Cancun.

Bahia Beach comes with an interior design proposal conceived by the renowned Sofia Aspe interior design firm, common areas that will redefine luxury in the Caribbean and access to the beach and other SLS amenities in Puerto Cancun.

Type 4 apartments have all the advantages of a large apartment in a somewhat more compact format. All bedrooms have their own bathroom and closet. In addition to three bedrooms, the unit has a comfortable family room and a large terrace to enjoy afternoons in the Mexican Caribbean.
